Dear Mr. Zeese:

The U.S. Department of Justice, Criminal Division acknowledges receipt of your Freedom of Information/Privacy Act request dated May 29, 2012. In that request, you asked for copies of records related to the Occupy movement. Specifically, you asked for records related to the arrests of individuals in Cleveland, Ohio for allegedly planning to blow up a bridge and the arrests of individuals in Chicago for terrorist activity.

Please be advised that this Office processes only records maintained by the Criminal Division of the United States Department of Justice. Your request also seeks information maintained by one or more other components of the Justice Department, or other Federal agencies. Upon review, we determined that your request was misdirected to the Criminal Division.

We determined that the arrests that you reference were conducted by the Federal Bureau of Investigation (FBI). Therefore, you may want to direct to their office, if you have not done so already. The FBI can be found online at www.fbi.gov, or you can contact its FOIA office at the following address so they can directly respond to you.

In addition, if there is a criminal prosecution in these matters they would be prosecuted by the U.S. Attorney's Office, and not by the Criminal Division of the U. S. Department of Justice (which are separate entities). For your information, United States Attorneys nationwide are responsible for handling litigation affecting the interests of the United States, including the prosecution of criminal cases. These offices maintain records on their legal cases, criminal investigations, and records relating to the administration of the office. Legal case files are located in the office of the United States Attorney who handled the case. Accordingly, requests for United States Attorney records should be sent to the Executive Office for United States

Attorneys (EOUSA). Consequently, you may want to submit a request to the EOUSA, if you have not already done so. You can contact the EOUSA FOIA office at the following address so they can directly respond to you.
